CAUTION

- **Please ensure that you read and understand the content of the installation guide before you begin the installation process.**
- **This product must be installed by a professional installer.**
- **Please don't power the hardware, until the entire solution is fully assembled.**
- **This product is designed to be bolted to a wall/counter.**
- **This product is intended for indoor use only.**
- **Do not overtighten the fixings.**
- **If these installation instructions are not followed precisely, it could lead to product failure and potential personal injury.**
- **It is the responsibility of the installer to use the appropriate fixings for the specific installation location. Please follow the fixing suppliers recommendations for installation.**
- **This solution is designed for certified hardware and accessories. Always follow the installation guide from the hardware manufacturer for correct installation.**
- **Ergonomic Solutions / SpacePole inc. cannot be held responsible for any product failure or personal injury, if the installation instructions are not followed correctly.**
- **Ergonomic Solutions / SpacePole inc. cannot be held responsible for any product failure or personal injury, if any modifications have been made to the product by the customer.**

MAINTENANCE

- **It is the responsibility of the customer to periodically check the installation and ensure it is clean, all air ventilation holes are free and all fixings are tightened correctly.**
