

SPV1102-H-FX

VESA 75/100 Pole Mount, Top Screen Mount - High tension

The top mount is used when the solution requires space for the attachment of other peripherals such as a swing arm for a printer or payment terminal to the SpacePole – in addition to the screen. This type of mounting solution is particularly useful where the actual space on the counter itself is limited. Raising the technology above the counter frees up any space that is available.

Features:

- Compatible with VESA 75 and VESA 100 mounting hole patterns
- Provides strong resistance, with a tension range of 7.5 to 10 kg, suitable for high-intensity applications or advanced strength training.
- Enhances workstation productivity by enabling optimal screen placement within the operator's eyeline.
- 5-year warranty

Specifications

VESA mounting standard	75 x 75,100 x 100
Displays supported	1
Base type	Standard flange Footprint Ø97mm
Screen size supported	11",12",13",15",17",19",21",22",24",27"
Warranty	5 Years
Unit per box	1
Net Unit weight (kg)	2.83
Gross Unit weight (kg)	2.97
Colour Type	Structured
Height Adjustable	No
HS code	8473308000
Main Material	Metal
Angle of rotation	310
Pole Length	400

Product Dimensions

Unit Depth (mm):	89.3
Unit Height (mm):	386.3
Unit Width (mm):	115

Package Dimensions

Package Depth (mm):	600
Package Height (mm):	130
Package Width (mm):	130
