TabPOS C-Frame™

Tablet Solutions

Tablet POS made simple

A versatile stand-alone point of sale solution with integrated stand for iOS, Android and Windows based tablet devices.

Compatibility

C-Frame is compatible with any tablet from 7.9'' to 12.9'', including Apple, Samsung and Microsoft and comes with its own mount.

Features

- **Aesthetics:** This elegant and configurable solution for a broad range of tablets, provides good looking TabletPOS for a variety of retail and hospitality environments

- **Use it your way:** Undo a handwheel or security screw to release the tablet for other uses

- **Flexibility:** A wide range of compatible integrated mounting solutions makes adding peripherals such as payments, a cash drawer or a rotation base, simple

- **Stand-alone:** With its integrated base, C-Frame provides a simple solution for TabletPOS applications

Benefits

- **One look:** It provides the flexibility to give your counter a personal look without hiding the tablet

- **Multiple uses:** Easy to remove the tablet for any other business or personal use

- **Maximise ROI:** Extend the reach of your tablet by making C-Frame the heart of a tablet-based point of sale solution

- **Easy to set up:** Set up in seconds, no tools or expertise required
