

In-Window ceiling mount for OM55N-DS & OM55N-D

Robust, easy to install and customisable on request

In-Window ceiling mounts

The SpacePole Digital Signage In-Window ceiling mount for Samsung's OM55N-DS & OM55N-D Window Displays enables you to deliver highly targeted messaging to specific customer audiences. Draw in customers with your external facing messaging and inform and engage with your internal digital content. Internal cable management completes an aesthetic design that complements the look and feel of the Samsung screens. Digital Signage should seamlessly integrate with your brand identity. Our ability to offer custom colours for this solution, provides that brand connection.

Compatibility

This SpacePole In-Window ceiling mount for OM55N-DS & OM55N-D is compatible with portrait mounted Samsung OM55N-DS and OM55N-D window displays.

Features

- **Robust yet slim:** A minimalist design, but one fit for purpose with looks to complement your brand identity
- **Effortless installation:** Simple to mount with access to screen handle for easy installation
- **Cable management:** Optimised for window displays. No unsightly cables!
- **Custom colours:** In-house capability to colour match to your corporate identity
- **Versatile additional mounting options:** Optional extension to mount above a suspended ceiling

Benefits

- **Minimal footprint:** Maximise the use of your window display area
- **Time saving:** Install and turn on. Plug and play digital signage
- **Image conscious:** Elevate your brand with state of the art technology that resonates with your customer base
- **Make it your own:** Embrace your brand with both colours and identity
- **Expand your installation options:** Allow for installation in an environment with a suspended ceiling – for example, grocery retail environments

Metal products are available in black, white, and other colours.
